## CAREER OBJECTIVE

A passionate full-stack web developer who turns ideas into reality by building efficient, beautiful products for the internet. Committed to continuous learning, clean code, and crafting seamless user experiences through thoughtful problem-solving and modern technologies. Actively seeking opportunities to contribute as a junior developer and grow within a dynamic engineering team.

## SKILLS

**Languages:** JavaScript (ES6+), C, C++

**Frontend:** HTML5, CSS3, React.js, Next.js, Tailwind CSS

**Backend:** Node.js, Express.js, MongoDB Atlas, REST API, JWT

**Tools & Platforms:** Git, GitHub, VS Code, Figma, Vite, Netlify, Vercel

**Interpersonal:** Leadership, Team Coordination, Mentoring, Problem Solving

## PROJECTS

**StudyNook** — *Next.js, React, Tailwind CSS, MongoDB, JWT, Better Auth* [Live](#) — [Client](#) — [Server](#)

- Full-stack hourly room booking platform where users can list, discover, and reserve study rooms.
- Implemented JWT-based session handling with email/password and Google OAuth via Better Auth for secure, protected routes.
- Built hourly booking flow with date/time selection and automatic cost calculation; users can manage their reservations and listings.
- Integrated real-time toast notifications for booking, listing, and cancellation actions across the platform.

**Skill Sphere** — *Next.js, React, Tailwind CSS, MongoDB, Better Auth, React Spring* [Live](#) — [GitHub](#)

- Online course browsing platform where users can explore, filter, and view course details with an animated, responsive interface.
- Integrated email/password and Google OAuth authentication with profile management including name and photo update support.
- Built animated course cards using React Spring, a hero slider with Swiper, and curated Popular & Trending sections on the homepage.
- Designed a fully responsive layout with DaisyUI and Tailwind CSS v4 ensuring seamless experience across all devices.

## EDUCATION

**Metropolitan University**

*B.Sc. in Software Engineering CGPA: 3.84/4.00 (Up to 8th Semester)*

*Sylhet, Bangladesh*

*Expected Graduation: December 2026*

## VOLUNTEER & LEADERSHIP EXPERIENCE

**Coordinator of Volunteers**

*Jan 2024 – Dec 2024*

*SWE Innovators Forum*

- Led and managed volunteers for organizing technical and community events.
- Coordinated with department stakeholders to execute programs successfully.
- Recognized for leadership and contribution to student engagement initiatives.

**Programming Mentor**

*Aug 2023 – Sep 2023*

*SWE Innovators Forum*

- Conducted workshops focused on C programming fundamentals and logical thinking.
- Provided hands-on mentorship to students to improve their coding and problem-solving skills.

## LANGUAGES

**Bangla:** Native proficiency

**English:** Professional Working Proficiency
